WDR Sinfonieorchester Köln
Semyon Bychkov, conductor

Semyon Bychkov and the WDR Sinfonieorchester Köln proved the potency of their partnership with their first three critically acclaimed and best-selling CDs on Avie. The success story continues with their fourth Avie release, Shostakovich *Symphony No. 8*. Russian-born Bychkov's affinity with Shostakovich is well documented, his performances and recordings of his compatriot's works widely praised. This recording follows last year's release of the Seventh Symphony and is the second in a projected series of recordings of Shostakovich Symphonies and Concertos
